Approved For Release 2004/03/15 : CIA-RDP80M00165A000300

Date: 30 March 77

TO: Bernie

FROM: DG

SUBJECT: Material for DCI talk with SecDef  
Brown at their next meeting

REMARKS:

This item for DCI approval was discussed with him on 29 March by Dr. Stevens and [redacted] Acting Director of the DDI's Center for Policy Support (CPS). (Note: the DCI asked about CPS - its major purpose is to provide better coordination between the production elements of the DDI and the consumer in order to make DDI's response to consumer needs as effective and comprehensive as possible. CPS is a new entity established when the DDI was reorganized recently; this reorganization was, in part, as response to an A.D. Little management suvery of the DDI done in 1976.)

The DCI will want to read this again before he meets with the SecDef; there will be some maps supplied for illustrative purposes, so that the DCI's request to SecDef to detail 2-4 officers to CIA for analytical support becomes more precise.

The DCI already has approved making the approach to the SecDef: but he should sign the paper, ~~#####~~ when he gets a chance, for the record.
